April 2010

Hi everyone!

I'm really enjoying being a part of this preschool. The children have been troopers adjusting to a new teacher, and I'm enjoying getting to know them and the wonderful families they belong to. A big thank you to everyone for the warm welcome and help as I settle in!

A little bit about me: I'm the second youngest of six children in my family so the preschool world feels like home to me! I've been an Early Childhood Educator for about five years now and enjoy the excitement and challenge of the preschool world. My husband and I live here in Langford. I have a daughter who is almost two who keeps me on my toes, and two dogs who keep me active. I love running, photography and digital scrapbooking.

The children have been awesome at helping me know where things go, and reminding me just how Chris does it :0) I'm honored to be a part of your child's preschool experience and look forward to sharing the next few months with the wonderful families at this preschool!

~ Jen
