February 2010

Hello families,

Now that we are heading into February it is time to think about next year and the role you think you might like to take. I know it seems early but the new executive will be voted in at the May General. That leaves us with 3 general meetings until the vote. If are returning next year and would like to be on the executive please speak with Sheila (Noah's mom 4's class) or speak with the person that is currently doing the job. Being on the executive is a fun rewarding experience!

We encourage everyone to attend the executive meetings. They are held the 1st Wed of every month. This will allow you to see what we do from month to month.

Some upcoming date reminders:

Exec Meeting Feb 3rd 7pm @ Island Savings

General Meeting Feb 10th 7pm @ Preschool

**Open House/Registration Opens Feb 13 10-1pm
(Everyone is encouraged to come out to help for a portion of this event)**

Spring Break -SCHOOL CLOSED March 8- 12

**General Meeting March 17th 7pm @ Preschool
☑Please note the March General Meeting

It's already time to think about forming next year's Executive.

This is an excellent opportunity to:

- learn more about how a co-op preschool works
- help our school continue to improve and provide the best environment possible for our children
- learn new skills for personal and career development
- make new friends and strengthen relationships within the community
- get out of the house for an additional night out each month!

One of the best decisions that I ever made was stepping up to join for 2008-2009. I did not expect the degree of friendship and learning that I've experienced over Noah's time at Goldstream. I have really enjoyed working with this team.

Any of the current Executives are happy to talk with you about our roles, and over the next few months we'll be encouraging anyone interested to attend the Executive meetings on the first Wednesday of each month. This will allow you to see how it all works and to get a feel for how you might be involved. You might want to do something that you have some background in, or try something totally different. There is room for people with little or no experience as well as those who have served in Executive roles in the past.

Goldstream Preschool News

Dear Goldstream Parents,

Registration for the 2010/2011 school year begins on January 31st for returning families, February 1st for alumni, and February 13th for the general public. We will be holding an open house at the preschool on Saturday Feb 13th from 10-1. If you know of anyone who may be interested in registering their child for preschool, this would be a great time for them to view the preschool, meet Chris, and ask any questions they may have. Enrolment forms will be available, and I will be onsite at the open house. Please spread the word!

If your child/children are currently registered, and you are planning to have them return in September 2009, or you are interested in enrolling any siblings:

- Between January 31st and February 12th, you can hold a spot for next year by submitting a post-dated cheque for \$40.00, dated March 31st. This is our registration fee. Please give it to Chris or myself, and email or phone me to let me know you have done so.
- If you decide before March 31st that you DO NOT want to hold the spot, let me know and the cheque will not be cashed
- If I have not heard otherwise, I will assume you wish to reserve your spot for September and your cheque will be cashed after March 31st (non-refundable).
- Registration will be on a first-come, first-served basis, with receipt of your cheque holding your spot.

Please let me know as early as possible if you are interested in re-registering for September. Knowing how many returning families we have will put me in a better position to advise any potential registrants as to class availability.

Please feel free to contact me by email at karijas@shaw.ca or by phone at 389-1815.
